

2020 NAPD MEMBERSHIP BENEFITS

Annual dues are \$25/person for full org memberships (with a cap)
\$30/for individual memberships

Since its formation at the very end of 2013, NAPD has grown to be an association of more than 22,000 public defenders and public defense professionals. NAPD is committed to: a client-centered representative model that addresses the holistic needs of the client; sharing resources across jurisdictions so that we can grow stronger as a national community; providing relevant resources on the most pressing issues in public defense for every profession essential to high-quality public defense delivery; and remaining a member-led movement that is affordable and accessible across the spectrum of public defense systems. We have over 125 organizational members and offer individual memberships. Each NAPD member has secure (password-protected) access to our resources, listservs and a voice to chart the path of NAPD. Whatever you need, we are confident that the collective expertise of our community can provide timely support. **Please join us!**
